2025 Summit Evaluation

We want your input. Our goal is to make this annual Summit (our retreat) something worth committing your time, travel, and energy to be part of. This event should encourage you, better equip you, and offer you the opportunity to learn from and fellowship with our fellow AMS. **So, how did we do?**

1. What was good?
2. What was REALLY good?
3. What was not so good?
4. What would you like to repeat next year?
5. What would you hope we NOT DO next year?
6. What would you like your leaders to hear from you?
7. How may the FBCAL Leadership Team assist you this coming year?
